Placement

- Placement is placing your new IR, within 30 days of their enrollment, somewhere in your downline past level 1
- Why?
 - Time management
 - Complimenting skills
 - Personality
 - Reward your downline
 - Personal development
 - Leadership development

–Minimize attrition

Time Management

- **Limited time to unlimited income**
 - Organization
- **Finding your balance**
 - How much time you are willing to invest in others will determine how many legs you can support

Downline Motivation

- Reward your IRs for performance
- Motivate new IRs to build confidence
- Train with experienced IRs

Bonus Maximization

- Check match bonus rewards deep organizations
- Rank achievement requires building leaders
- Car program rewards replicating yourself
- Identify your starts and work with them regardless of depth

Company Values

- **People development business**
- **Culture of replication of success**
- **Help your downline achieve beyond your achievement**
- **Become a leader and help others to become leaders**

NOTE: Downline rankings shown indicate lowest possible downline rankings necessary to achieve your ranking. Blank circles indicate "no" ranking requirement for that circle.
